

“The Disc” by David Mudgett

## Image Colors

**NOTE** After all numbers are loaded, the paint by numbers can differ a bit from what was previously shown. It's normal. We try to optimize paint by number for better painting experience for you. We can also remove some numbers to make the coloring process easier for you. So the numbers can start not from 1 or no direct order.

ID:1  Scorched brown (Kogecha)  
RGB(23, 15, 13)
